

WildLink Senior Gradpack: Kennedy Lake / Emigrant Wilderness

Behavior Expectations:

This trip is meant to be a fun ending to your high school involvement in WildLink. This is not a school-sponsored trip since you will be officially graduated young-adults.

- Needless to say, we'll follow LNT ethics.
- We still need to follow school-like rules. No illegal stuff on the trip.
- Be respectful of everyone in the group.
- Have lots of fun!

I agree to have fun and be an all-around good person on this trip:
